# NU FORM

ADVANCED, NON BIS GMA SCIENCE  
TEMPORARY CROWN & BRIDGE MATERIAL

Nu Form is a pre-shrunk, long chain acrylic designed specifically for the fabrication of temporary crowns and bridges. Nu Form is tough and will not break, yet it is flexible during transition for ease of placement and is compatible with self and light cured resin based materials.

Insuring great aesthetics, Nu Form contains fluorescence for an unbeatable natural look in all lighting conditions. Nu Form is highly polishable, however in most cases polishing is not needed.
